

DOMINIC TORRES

COMPUTER SCIENCE STUDENT · DEVELOPER · QA TESTER

dominic.torres2704@gmail.com | 0960 251 3475 | Philippines | github.com/litebanana | linkedin.com/in/dominic-torres-24028940a

SUMMARY

Computer Science student who enjoys building applications and websites, working with AI, and finding the bugs other people missed. Hands-on QA experience on a real product, plus training across the stack — from Flutter and React to Python and machine learning. Open to internships and opportunities.

EDUCATION

Bachelor of Science in Computer Science 2023 – PRESENT
Lyceum of the Philippines University – Cavite

EXPERIENCE

QA Intern · VetAssist JUNE 2026 – PRESENT

- Manual software testing, test case execution, and regression testing across feature releases
- Identify and report functional bugs and UI/UX issues, tracked in Jira
- Validate features and releases before they ship to users

IoT Bootcamp Trainee · ACube Technologies Inc. 2025

- Hands-on Internet of Things training: sensors, embedded systems, and hardware–software interfacing
- Built connected-device projects and worked with real sensor data

PROJECTS

GUBAT Android SMS spam filter using a Random Forest classifier trained on a localized Taglish dataset · [Python](#) · [ML](#) · [Android](#)

DomFi AI-powered personal finance manager for budgets, expenses, and savings goals · [Node.js](#) · [React](#) · [MongoDB](#)

Home Inventory Mobile app for tracking household assets, warranties, receipts, and documents · [Flutter](#) · [Dart](#) · [MongoDB](#)

FitTrack Fitness companion app with workout logging, activity tracking, and goal streaks · [Flutter](#) · [Dart](#)

TECHNICAL SKILLS

DEVELOPMENT: Python (3 yrs) · TypeScript (1 yr) · JavaScript · PHP (2 yrs) · Flutter (2 yrs) · Dart (2 yrs) · Node.js

WEB: HTML (4 yrs) · CSS (3 yrs) · Web Development (3 yrs) · React · Tailwind CSS · Express.js · Vite

DATA & AI: Database (2 yrs) · AI / Machine Learning (2 yrs) · MongoDB · MySQL · Python FastAPI

QA & DELIVERY: Quality Assurance · Project Management · Test Case Design · Jira
